

# POWER LOVESEAT WITH POWER HEADREST

## MODEL SANTA FE

### ASSEMBLY INSTRUCTIONS

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

#### Contents of Cartons

#### Assembly – Console Loveseat

##### Console Back

1. Console Back is packed inside the console base
2. Unzip the dust cover at the bottom of console
3. Pull the strap to remove the console Back from the base
4. Close the dust cover & zipped on.

Step 1: Slide inside back receivers into the steel mechanism posts in the base of the furniture

To remove the inside backs, use a screwdriver pressing outward on the black tab in the metal sleeve on both sides of the inside back and lift the inside back from the base of the Furniture

## Electrical Connections

NOTE: The Power Transformer and Power Cord are located under the seats in separate boxes.
